The Industrial Parks Development Corporation (IPDC) of Ethiopia is established to drive national structural economic transformation through the development, promotion operation and management of world-class Special Economic Zones. Our mission is to accelerate sustainable industrialization by driving high-value exports, reducing import dependency, creating quality employment, strengthening domestic value chains, and attracting technology-intensive investments.

To achieve this, the IPDC Head Quarter (HQ) is committed to implement an Integrated Management System (IMS) aligned with international standards on Quality (ISO 9001:2015), Environment (ISO 14001:2015, and Occupational Health & Safety (ISO 45001:2018). Hence, to meet our objectives;

- ✔ We are committed to delivering efficient, transparent, and customer-focused services while fully complying with all applicable statutory, regulatory, and other relevant requirements.
- ✔ We are dedicated to safeguarding the environment and ensuring safe, healthy, and conducive working conditions across all our operations.
- ✔ We actively engage employees, investors, partners, and other stakeholders to foster a strong culture of quality service, environmental responsibility, risk-based thinking, and continual improvement.
- ✔ This policy provides the framework for establishing, reviewing, and achieving our Integrated Management System objectives.
- ✔ Through regular reviews of our objectives, risk assessments, audit results, and stakeholder feedback, we proactively identify and act on opportunities to enhance our Integrated Management System (IMS) and improve overall performance.
